

[BIM 360 Field iPad App 2014 Activation](#)

A screenshot of the Autodesk BIM 360 Field app interface. The top header shows "AUTODESK® BIM 360™ FIELD" and "Dover Equine Management Organization". A notification bell icon shows "92" and a user profile for "Chris Thurrott". The main content area is titled "Project Overview" and includes the address "204 Trapelo Road, M/S 314, Malibu, CA 90265". Below the address is an "Issue summary" section with a horizontal bar chart showing issue status: Draft 9, Open 1991, Completed 169, Ready 682, and Closed. A legend below the bar chart identifies the colors for each status. The "Issue Tracker - Total v. Closed" section features a stacked bar chart with the y-axis labeled "Issues" ranging from 0 to 4000. The x-axis shows time points: "4 weeks ago", "2 weeks ago", and "now". The bars are stacked with "Total" (yellow) and "Closed" (green). The "Task Categories" section at the bottom shows a progress bar for a category labeled "<not set>" with a value of 35 out of 100. A "Messages" pop-up window is overlaid on the right side, containing three messages: a reminder from Chris A. Thurrott about a fifth floor turnover on Friday 11/15, a tip from Autodesk about syncing the iPad, and a notification from Autodesk about updating the app version in the App Store.
